BETA CLUB FOOD DRIVE

The BETA Club is hosting a community food drive this year to collect canned goods for those who are less fortunate and in need of food for the Thanksgiving holiday. We would like for everyone to send in at least two food cans to donate to our cause.

There are several large barrels in the main lobby of the school, and we want to be able to fill them all. If you have any questions about the food drive, please contact one of our coordinators, Mrs. Cobbs, Mrs. Griffiin, or Mrs. Adams.

Parents, you may also bring in the cans yourself, when dropping off or picking up your students. We hope to feed many hungry families with the donations we collect. Thanks in advance for your charity, and Happy Thanksgiving!

What's Happening?

- In observance of the Thanksgiving holiday, there will be no school next Wednesday-Friday, Nov. 23-Nov. 25th.
- The PRIMETIME after-school program will be closed Tuesday, Nov. 22nd. Please secure transportation for your child(ren) for that day.
- The next dance team practice will be held on Wednesday, Nov. 30th after school until 4:00 pm. All fees and costumes are due by Friday, Dec. 2nd. Please send in items from the checklist as soon as possible.
- Please visit the school website to check out this month's P.E. newsletter.

Show Your School Spirit!

Each school day, students are asked to wear school colors, yellow or light blue tops and navy blue bottoms. This will be a weekly school-wide initiative to promote wearing school uniforms. Please show your support!

The Minute Clinic with Nurse Potts:

Why Do I Need to Wash My Hands?

Washing your hands is the best way to stop germs from spreading. Think about all of the things that you touched today-from the telephone to the toilet.

Maybe you blew your nose in a tissue and then went outside to play around dirt. Whatever you did today, you came in contact with germs.

It's easy for a germ on your hand to end up in your mouth. Think how many foods you eat with your hands. **So when is the best time to wash your hands?**

- When your hands are dirty and before eating or touching food
- After using the restroom and after blowing your nose or coughing
- After touching pets or other animals and playing outside
- Before and after visiting a sick relative or friend

Five Steps to Hand Washing

1. Wet your hands with water.
2. Apply hand wash (soap).
3. Lather and wash for AT LEAST 15 seconds.
4. Rinse both sides of your hands with water.
5. Dry your hands and shut off faucet with towel.

Be a Word Problem Wiz!

Primary (K-2)

Ryan drank 3 milkshakes. If Brian drank 3 more milkshakes than Ryan, how many milkshakes did they drink in all?

Intermediate (3-5)

Morgan wants to estimate the difference of 139 and 287.

What problem could Morgan create to get a reasonable estimate?
